The itinerary

Day 1

LEGENDARY LODGE

Arusha, Tanzania

Your journey begins at Legendary Lodge, set within a historic coffee estate on the outskirts of Arusha. Here, sprawling tropical gardens offer a quiet refuge to recharge ahead of your safari — unwind in your private cottage, enjoy your first taste of our exceptional cuisine, and let the pace of Africa begin to take hold.

Day 2

FOREST CHEM CHEM

Burunge WMA

Forest Chem Chem, our private-use camp tucked within the acacia woodlands of the Burunge Wildlife Management Area, gives you your first taste of the true wild. Here, beneath a canopy alive with birdsong, seclusion is the point — this is your space to explore the wild at your own pace and to share it fully with the people who matter most.

The itinerary

Day 3

FOREST CHEM CHEM Burunge WMA

Surrender to the Slow Safari experience, where each day shapes itself around you. Ease into breakfast or set out early on a game drive to unlock the landscape's secrets with your guide — the choice is always yours. There's something to do when you want it, and space to do nothing when you don't — although the sunset is always an excuse for a sundowner.

Day 4

FOREST CHEM CHEM Burunge WMA

The days here are full of contrast. The thrill of a big tusker encounter gives way to a leisurely afternoon at the pool, while moments of stillness at dawn become easy laughter around the dinner table. This is a place for memories shared and stories told — over lantern-lit dinners and in the glow of the campfire.

The itinerary

Day 5

MILA

Western Serengeti

From woodland to wide open spaces, the next leg of your journey takes you to the remote Nyasirori — one of the Serengeti's best-kept secrets. At Mila, canvas unfolds at the cusp of the golden plains and time-honored safari traditions take hold. Here, far from the bustle of the park's busier regions, you feel at one with the wild.

Day 6

MILA

Western Serengeti

At Mila, you're in lion country, with some of the region's largest prides at your doorstep. Here, adventure takes on many forms: a game drive at first light in search of big cats settling down to sleep in the grasses, a walking safari that reveals what the vehicle misses, or a hot-air balloon ride over the plains as the sun climbs the sky — available at an additional cost.

The itinerary

Day 7

MILA

Western Serengeti

Your last day at Mila unfolds at the pace of the wild. Morning coffee arrives with the birds' chorus, giving way to meandering explorations through the teeming plains. Lunch is an opportunity to linger — good food, drinks and laughter around the table. And, as the sun dips, raise a toast to the day.

Day 8

SONGA

Northern Serengeti

Next, your journey takes you north to the rolling hills of Kogatende, where Songa's hillside perch invites you to gaze out over one of Africa's most iconic landscapes. Vintage explorer-inspired and intimate by design, this is your base from which to experience the action of the Great Migration.

The itinerary

Day 9

SONGA

Northern Serengeti

Dawn breaks with news of an imminent crossing, your private guide and vehicle primed to trace the herds to the banks of the Mara. The Serengeti rewards patience as hours of stillness erupt into the chaos of crossing — a story to be rehashed around the campfire that evening, and for many years to come.

Day 10

SONGA

Northern Serengeti

Your final day in the Serengeti unfolds on the plains, punctuated with a picnic lunch in the shade of an acacia. Soak it all in — look closely, listen carefully, and feel the breeze. Learn the stories of the land from your guide. As the light softens on your final day on safari, raise your glass to the wild and everything it has shown you.
